But Keanu isn't terrible, and James Caan sells his role as the tired seen-it-all con man. Not even the third-act return of Fisher Stevens, who threatens to expose the heist if he's not cut in, makes it especially suspenseful or entertaining. Vera Farmiga is supposed to be a cold fish, and that's believable. The other main subplot is the disastrous preparation for the play. Anthony, Brian Rogalski, Steve Beauchamp, Allel Aimiche, Ken Marks, Gideon Banner, James Hindman, Jason Fisher, Rosemary Howard, and Paul O'Brien. And finally, there is Peter Stormare as the eccentric, hot-headed director of the play. "Henry's Game" is the type of movie where the little things that work compensate for the big things that don't. The speakeasy is now a theater, and Henry hatches a scheme to access the tunnel from the theater and use it to burrow into the bank vault. Maybe I like a heist movie more than I like a so-so rom-com, but give me an oxygen lance and a rotohammer over the Keanu rushing back to the theater scene any day. Old pro James Caan also appears as an old-time convict Henry meets in prison, who helps with the details and planning of the robbery. In the case of the 2010 Keanu Reeves caper comedy, "Henry's Crime," however, the film appears to have been constructed around a clever play on words. He's good, Peter Stormare is good, if under-used. The romance with Keanu....not happening. In this case, the catchphrase is "If you did the time, you might as well have done the crime," a variant on "If you do the crime, you have to do the crime." Unfortunately, most of the film's cleverness seems to have been expended on the catchphrase, leaving little to a caper and a comedy that aren't nearly as much fun as they should be.The title character in "Henry's Game" is a burned-out toll collector (played by Keanu Reeves) in upstate New York who manages to get talked into going out with some high school acquaintances (led by Fisher Stevens) to what he thinks is a pickup softball game (in the middle of the Buffalo winter). His Henry barely cracks a smile or raises his voice throughout the entire movie. To do so, he has to get a part in the theatrical production of "The Cherry Orchard" currently in rehearsals at the theater.Keanu Reeves is an actor with a highly limited range, but playing an emotionless burnout is right in his wheelhouse. The combination of a zombie-like, amateurish Reeves and a scenery-chewing Farmiga should have been good for laughs, but director Venville (who hasn't made a feature film since "Henry's Game") can't seem to produce any really funny moments.Fortunately, Farmiga, Caan, and Stormare have a lot of fun with their roles. You can watch this movie online in HD with subs on Apple iTunes, Amazon Prime Video, Amazon Video, Sky Go, Sky Ticket, Chili. Directed by Malcolm Venville, and starring Keanu Reeves, Vera Farmiga, James Caan, Judy Greer, Fisher Stevens, Danny Hoch, Bill Duke, Peter Stormare, Currie Graham, David Costabile, Jordan Gelber, Audrey Lynn Weston, Julie Ordon, Guy Boyd, Peter Appel, David Bishins, Drew McVety, Tim Snay, Carlos Pizarro, Chris Cardona, Mark R. The romantic chemistry really does not sell. Best of all is Caan, who is less Sonny Corleone and more Billy Rose. He doesn't want to leave prison because he's a big shot in the slammer and doesn't care for the prospect of starting from scratch on the outside. However, the robbery goes poorly, and the hapless Henry is the only one caught. But once he is outside, he' all charm and smoothness. "Henry's Crime" is a prime example of what happens when you combine a decent plot idea and some A-list acting talent with a script that doesn't know what to do with its central premise and a director who can't maximize his comic potential. The ending is a hurried muddle, wrapping up the heart felt bits while completely ignoring the fallout from the robbery.I'd give it two stars if I'd paid money to see it in a theater. She's as unconvincing with him as with she is as Madame Ravensky. But, make no mistake, it's somewhat of a crime that Henry's movie wasn't any better.12 people found this helpfulBilly Joe Jim BobReviewed in the United States on October 24, 2021Love Story with a Heist twistVerified purchase2 people found this helpfulBrandonReviewed in the United States on August 25, 2021Wish I wouldve known sooner!Verified purchase2 people found this helpfulD. Still, it's a romantic comedy, not a thriller.But James Caan saves the whole enterprise; the in prison section is actually more engaging than the romantic comedy; the "meet cute" starts a long flat spot in the middle of the movie where we should be getting a little more involved in the mechanics of the bank robbery and a little less of the lovebirds reciting Chekov at each other.The robbery itself is a rushed, almost tacked-on business. Don't forget to check out more movies like Middle Men, The Tourist, and Johnny English Reborn on Justdial's Movies Online. A couple of awkward sex scenes notwithstanding, these two are not reacting.Keanu is way more convincing as the numb civil servant going through the motions of life than he is reborn as a natural Lopahkin. However, it's amiable enough throughout, and the supporting performers are clearly having a lot of fun.When he gets out of jail, Henry revisits the bank and learns that during Prohibition a tunnel ran from the bank vault to a speakeasy across the street. IMDb Comments Dead Heat On a Merry-Go-RoundA Pyromaniac's Love Story Released from prison for a crime he didn't commit, an ex-con targets the same bank he was sent away for robbing bank heisttheaterunlikely criminalwatching tvex con110 moreWhat is the Spanish language plot outline for Henry's Crime (2010)?AnswerYou have no recently viewed pages Henry's Crime is Action & Adventure, Comedy, Crime, Drama movie. The robbery itself is highly mundane (although we get to see occasional shots of people digging a tunnel that look like leftover outtakes from "The Great Escape"). But, while Reeves's performance is spot on, it doesn't make for a very compelling film. "Henry's Crime" is neither the clever caper nor the manic farce that the film easily could have been. Stormare seems to channel every obsessive director in the history of the theater and combines his manic energy with an at-times nearly indecipherable accent. To give the film the energy it needs, director Malcolm Venville adds some colorfully over-the-top supporting characters, beginning with Vera Farmiga, the play's lead actress and Henry's eventual bed buddy. For those reasons, I'm giving the film a mild recommendation. Rating: 6.0 Storyline Released from prison for a crime he didn't commit, an ex-con targets the same bank he was sent away for robbing. But for free on Amazon Prime, killing time on the treadmill, three stars, edging on four. LarsonReviewed in the United States on January 7, 2019Keanu does numb better than enthusedVerified purchaseThe conceit is a really terrible performance of "The Cherry Orchard". Instead, it turns out to be a bank robbery, with Henry as the getaway driver. Farmiga turns her character into an even more neurotic, human version of Miss Piggy, leaving poor Keanu Reeves dumbstruck at times as to how to react (acting dumbstruck is also well within Reeves's wheelhouse). It's OK, I've watched worse, will watch worse again.5 people found this helpfulcatch22Reviewed in the United States on July 23, 2019Charming and stylistic, funny and dryVerified purchase3 people found this helpfulGillouReviewed in the United States on October 17, 2021Slow storylineVerified purchase2 people found this helpfulSee all reviews Nobody does vaguely autistic or maybe uncomprehending extraterrestrial than Mr. Reeves. Not seeing it. Butchering Chekov for his one true love?
